

# THE SOIL OF A CITY

## ICE BREAKER

- When eating out do you like to try new foods/new places? Why or why not? Do you always order the same thing on a menu or are you adventurous or curious?

**Ephesians 3:10**

**Act 13:1-3**

**The church should be a place where we experience God breathed horizons.**

**Horizon is a new perspective - SEE MORE**

- What are my top 3-5 core values (things that are most important to me)? What do I stand for? What angers me? What do I love? What moves me to action.

**Horizon is a new assignment - DO MORE**

- Besides ministering to those closest to me (family members, relationships at church, etc.), what's the number one thing I believe God wants to accomplish through me?

**Horizon is a new capacity - BECOME MORE**

- *What do I do exceptionally well? What are the gifts and talents God has given me? OR, what do I wish I could do/do better?*

**The soil of the city should be reflected in the soil of the church: From here we reach the world. We switch from local to global impact.**
